

Donate a Day

Many of us have the privilege of surplus, and bounty - in food, clothing, shelter, and money. One way to recognize and be proactive about that privilege is to donate a day which is historically full of gifts to a non-profit which works with individuals who don't have the privilege of surplus.

You could donate your wedding, birthday, religious holiday, or any day that you want - and invite/solicit donations to In-Sight Collaborative in lieu of gifts. Here are some things to keep in mind:

- **Communicate this “Day Donation” ahead of time!** Many people plan gifts in advance, so make sure to make it clear that you're donating the day on the invitation or “Save The Date”.
- **Make it easy on your guests to donate!** Create a [GoFundMe Campaign](#) specifically for your event to make it personal and so you can see how much your event raises for refugees worldwide.
- **Consider a “recommended donation” amount!** Many donors do well when you encourage a certain amount. Perhaps you recommend individuals donate \$20. Some will donate more and some will donate less, but having a recommendation can be comforting for donors.

Please email info@in-sightcollaborative.org if you need assistance running your campaign. We love hearing about fundraisers that are happening on behalf of In-Sight and would love to highlight your efforts!
